

## RANCHER'S SON

Johanson is the biggest rancher in the territory, but despite his best efforts his son turned out to be no good and on the wrong side of the law. Most of his indiscretions were easy to overlook as “boys being boys,” when he killed the gambler and took his money for looking at him wrong, that was the day he crossed the line. Despite his brash talk, you captured him easily and he now resides in your jail. The rancher has demanded his release, but you are determined to hold him for trial.

Starting line: **“He’s gonna get a fair trial, and then we’ll hang him!”**

Shooter will start standing in the doorway of the jail with both hands on their shotgun. Rifle is staged on rest in the jail. At the start signal, shooter will move to rest and engage shotgun targets until down. Discard shotgun on rest, retrieve rifle, and engage rifle targets with double taps on center, center left, center right, far left, and far right (3-3-2-2-4-4-1-1-5-5). Discard rifle on rest, draw revolvers, and engage pistol targets in the same manner as the rifle targets.
