

STAMPEDE!

You are standing by your horse chatting with some other cowboys on the trail drive. All of the sudden, you hear a distinct rumbling that means only one thing.....a stampede! Something has spooked the herd and they are headed straight toward your cow camp. As much as you hate to, you know that your only chance is to take out the lead cows in hopes of turning the herd. At least you will be eating some steaks on the rest of the drive instead of beans every day.

Starting line: **“Take out the leaders, boys!”**

Shooter will start standing with both hands on the back of the horse, and rifle staged on horse. Shotgun is staged on right rest. At the start signal, shooter will engage rifle targets in a double tap Nevada Sweep (1-1-2-2-3-3-2-2-1-1), then move to left rest, stage rifle, and engage pistol targets in a 2-1-2 sweep, and repeat with second pistol. Move to right rest, pick up shotgun, and engage shotgun targets until down
