

# TIME FOR TROUBLE

You are in the general store visiting with the lady who is watching the store. She just received a new clock from St. Louis and is having trouble hanging it up, so you offer to help. At that moment, you see the Haney brothers coming up the street and you know that the clock is gonna have to wait.

Starting line: **“We’ll get this hung up in a minute, Martha.”**

Shooter will start standing with both hands on the clock face on the counter inside the grocery store. Rifle and shotgun are both staged on the counter. At the start signal, shooter will engage rifle targets from right to left with two shots on each target, finishing with one shot on the right target and one on the left (4-4-3-3-2-2-1-1-4-1). Stage rifle back on counter and engage pistol targets in the same sweep in the same direction. Holster pistols, retrieve shotgun, and engage shotgun targets until down.

Ammo Needed:

10 Pistol
